## PARTICIPANT COMMITMENTS

**WORKGROUP Commitments:** The WORKGROUP members, staff, and participants will participate in good faith, which means they will:

- 1) Prepare for and set aside time for the meetings and the entire process,
- 2) Participate fully, honestly, and fairly, commenting constructively and specifically,
- 3) Speak respectfully, briefly, and non-repetitively; not speaking again on a subject until all other members desiring to speak have had the opportunity to speak,
- 4) Allow people to say what is true for them without fear of reprisal,
- 5) Explore the topics – not debate them,
- 6) Disagree without being disagreeable,
- 7) Avoid side conversations during meetings,
- 8) Provide information as much in advance as possible of the meeting in which such information is to be used and share all relevant information to the maximum extent possible,
- 9) Generate and explore all options on the merits with an open mind, listening to different points of view with a goal of understanding the underlying interests of other WORKGROUP members,
- 10) Consult regularly with their organization/interest group and provide their input in a clear and concise manner,
- 11) Each member agrees to work toward fair, practical, and durable recommendations that reflect the diverse interests of the entire WORKGROUP and the public,
- 12) When communicating with others, accurately summarize the WORKGROUP process, discussion, and meetings, presenting a full, fair, and balanced view of the issues and arguments out of respect for the process and other members,
- 13) Not attempt to affect a different outcome outside of the WORKGROUP process once the WORKGROUP has reached a “consensus” recommendation,
- 14) Strive vigorously for consensus and closure on issues, and
- 15) Self-regulate and help other members abide by these commitments.

Reminders:

- 1) Each member is allowed to assign one WORKGROUP alternate for the process.
- 2) That person must have full authority to represent their Organization/Interest Group.
- 3) If the alternate is attending, the primary member must provide written notice to Facilitator at least 72 hours in advance of a meeting's start time.
- 4) Assigning a replacement alternate is at the discretion of the Facilitator.
