|--|---------------|-------------------------|--------------------------------|--------------------|---|
| Albert Zierholf Farm   | HRC-86-01     | 2/27/1986               | 14-5-9-800                     | 1899-1920's        | two story wood frame farm house that is excellent example of rural turn of the century farm house   |
| Anthony Farm   | HRC-94-07     | 3/28/1994               | 10-4-27-1100                   | 1900-1925          | Utilitarian barn, only surveyed example of a T-shaped barn, granary and implement shed, kitchen wing of the original house and landscape features   |
| Augustus Buckingham House  | HRC-94-06     | 4/25/1994               | 14-6-13-100                    | 1894               | excellent example of a 19th century farm house with Queen Anne elements   |
| Bellfountain Park  | HRC-93-02     | 2/9/1993                | 14-6-11-500                    | 1845-1860          | Benton County's oldest park, location of Methodist-Episcopal camp meetings and focal point for the spiritual and social life of the pioneer Belknap Community   |
| Bellfountain School and Gym  | HRC-94-04     | 2/28/1994               | 14-6-12DD-1100                 | 1900-1925          | significant as relatively intact examples of rural school complex built shortly after the turn of the century, the gymnasium is a good example of early wooden gymnasiums   |
| Bush Dairy Barns   | HRC-94-32     | 1/9/1995                |                                | 1925-1940          | 20th Century Architecture/agriculture   |
| Cabell Barn (#2)   | HRC-86-05     | 5/1/1986                | 13-5-30-100                    | 1920-21            | One of the largest farm buildings in the Willamette Valley,   |
| Cabell Lodge   | HRC-86-06     | 5/1/1986                | 13-5-29-100                    | 1912               | Colonial style 1 and 1/2 story bungalow "club house"  |
| Civilian Conservation Corps (CCC) Oak Creek Guard Station Residence and Barn | HRC-92-05     | 7/1/1992                | 11-5-20-200                    | 1941               | The station was built in 1941 and was used initially as a residence for summer fire-watch personnel. These structures are associated with events that have made a significant contribution to the history of the United States, Oregon and Benton County  |
| *CCC Sign Shop, Warehouse, and Monument                                      | HRC-92-04     | 7/1/1992                | 10-4-31-1900                   | 1936               | The sign shop is an outstanding example of CCC "rustic" style architecture. It retains excellent integrity of location, design, setting, materials, workmanship, feeling and association  |
| Chambers-Miller Farm Group   | HRC-91-03     | 2/5/1992                |                                | 1860-1880          | One of the first farms to be established in Kings Valley. It is an excellent exempt of an intact farm group dating from the Pioneer era through the Railroad era. The house is an intact example of the late 19th Century Gothic Vernacular farmhouse and is notable for the Eastlake detailing of the porch. |
| *Charles King House  | HRC-89-03     | 7/21/1989               |                                | 1860-1880          | Rural Gothic  |
| *Children's Farm Home School   | LU-07-073     | 9/17/2007               |                                | 1925               | 20th Century revival of Georgian Colonial   |

| Resource Name                               | County File # | Date Placed on Register | Township-Range-Section-Tax Lot | Period Represented     | Contributing Factor/s   |
|---|---------------|-------------------------|--------------------------------|------------------------|---|
| *Crystal Lake Cemetery                      | HRC-03-02     | 12/23/2003              |                                | 1850-1953              | cemetery  |
| Currier-Thompson House                      | HRC-94-22     | 9/12/1994               | 13-5-7-400                     | 1900-1925              | The house is the only example of a "Villa" style house in Benton County. It includes a craftman style interior.   |
| Edwin & Anna Starr House*                   | HRC-86-07     | 10/16/1986              | 14-5-8-700                     | 1900-1925              | Gothic Vernacular farm house  |
| Farley-Kirkham House                        | HRC-94-08     | 5/9/1994                | 15-5-2-1400                    | 1900-1925              | The house is architecturally significant as an excellent example of an early 20th Century farmhouse built by local carpenters and employing a variety of 19th Century elements.   |
| *Fort Hoskins                               | HRC-93-03     | 2/9/1993                |                                | 1856-1866              | Fort Hoskins was one of three "forts" (which were actually unfortified posts) built by the U.S. Army to monitor the Coastal Indian Reservation in Oregon in the mid- 19th century.  |
| George Cooper House                         | HRC-94-17     | 6/13/1994               | 12-5-8-200                     | 1880-1900              | The house is architecturally significant as a good example of a late 19th century Gothic Vernacular Farmhouse.  |
| Hanson House and Incubator                  | HRC-89-01     | 1/8/1989                |                                | 1928                   | Dutch Colonial Revival  |
| *Harris Covered Bridge                      | HRC-85-02     | 11/21/1985              |                                | 1929                   |   |
| *Hayden Covered Bridge                      | HRC-85-03     | 11/21/1985              |                                | 1918                   |   |
| Hugo Neuman Winery                          | HRC-94-12     | 5/9/1994                | 13-6-9-101                     | 1925-1940              | This winery is among he last surviving examples of the early wine making industry in Oregon. It was the first winery in Benton County and the third in the Oregon. Neuman's wine was sold throughout Canada and the Unites States.  |
| *Hull-Oakes Lumber Co.                      | HRC-98-01     | 2/9/1998                |                                | 1938-1946              | sawmill   |
| *Independent Community Club                 | LU-12-040     | 9/17/2012               |                                | 1919, addition is 1950 | The Independent School was originally designed as a one-room schoolhouse with features of the Craftsman architectural style. The building's footprint is irregular in shape with a projecting gable 'wing' on the south side and a telescoping gable roof over the porch on the west, front facade. |
| *Irish Bend Covered Bridge                  | HRC-85-01     | 11/21/1985              |                                | 1954                   |   |
| Irish Bend School                           | HRC-95-05     | 6/12/1995               |                                | 1914                   | The only example of a two story, wood frame schoolhouse in the county   |
| *Irwin-Cheadle Barn (Richard S. Irwin Barn) | HRC-86-04     | 5/1/1986                |                                | 1880-1900              | Rural Gothic  |
