HB 2508:

HB 2805 is a measure introduced in the 2023 session of the Oregon Legislature. It was passed by the 2023 Oregon Legislature and went into effect on September 23, 2023. The new law prohibits a public body that is subject to Oregon’s Public Meeting Law from conducting a “serial meeting” and gives the Oregon Government Ethics Commission (OGEC) authority to enforce the new standard. The OGEC is also given the authority to enforce Oregon’s Public Meetings Law.
